The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Alta Loop Pipeline in the Fiscal Year 2023 Interior and Environment appropriations bill.

The project sponsor for this project is the Placer County Water Agency located at 144 Ferguson Road, Auburn, CA 95604. The project will take place in the community of Alta, CA in Placer County.

This project is a valuable use of taxpayer funds because it will work to leverage limited Placer County Water Agency Capital Improvement funds to implement additional water system infrastructure replacements, water treatment plan upgrades, and other water system improvements at an accelerated pace in the community of Alta, CA.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Doug LaMalfa
Member of Congress
